- New students will be assessed during their first class. Instructors recommend levels based on skills level, not age. A child's recommended level may change if the instructor feels they would be better suited to a different level.
- There are no refunds or make-ups offered for missed classes for any reason.
- The first class may be paid at the drop-in rate if desired. Thereafter, payment is required for the full term. After term payment has been, no refunds are offered for students who decide to withdraw for any reason.
- Refunds (prorated for the number of classes taken) will be given in the event that a class is canceled due to not reaching minimum required enrollment (5 students at Bodytree, 6 at Saadiyat Beach Club) after the first month of the term.
- Term tuition does not include end-of-term recital fees or tickets.
